BIDIT RAJ
Frontend Developer & UI/UX Designer

✉ biditraj@gmail.com 📞 +91 93377 18826 GitHub in LinkedIn

🪪 PROFESSIONAL SUMMARY

Frontend Developer with 2+ years' experience in React, JavaScript, Tailwind CSS and Figma; skilled in UI/UX design, performance optimization, accessibility and cross-functional collaboration.

💼 EXPERIENCE

Tech Access, New Delhi   06/2021 – 11/2021
Frontend Trainee   New Delhi
  - Rapidly delivered a client prototype using React and HTML/CSS within an agile team
  - Built and documented a reusable UI component library with Storybook
  - Addressed accessibility and cross-browser issues to achieve WCAG AA compliance

The Assigner (Remote)   12/2024 – 03/2025
Web Development Intern
  - Built 10+ responsive React components with Tailwind CSS, cutting visual regressions by 30%
  - Streamlined Axios API workflows with interceptors & caching, boosting performance by 20%
  - Ran A/B tests and UX analysis to improve engagement by 15%

🎓 EDUCATION

B.Tech CSE   Present
NIST University, Berhampur   odisha

Diploma in IT
Aditya Institute of Technology, New Delhi
  8.2/10

🧠 TECHNICAL SKILLS

Frontend — HTML/CSS,JavaScript,React,APIs

Backend & Tools — Node.js,REST APIs,Git,GitHub,Vercel,Axios,Google Analytics,

Methodologies — Agile,Responsive Design,Accessibility (WCAG 2.1)

📁 PROJECTS

CineSearch
  Built a TMDB-powered movie search app with debounced input and client-side caching, scored 92+ in Lighthouse, and managed themes using scalable SCSS.

AniMotion
  Created animated interactions using Framer Motion and custom SVGs, collaborating with designers to prototype and deliver dynamic motion UI.

Personal Portfolio
  Built a mobile-first Next.js site with Tailwind CSS and Framer Motion (dark/light toggle), optimizing images and implementing lazy-loading to achieve sub-1 s load times.
